A return is "delivered" on the date it is postmarked if it is delivered by U.S. Postal Service.

(b) Failure of the taxpayer to remit the A&P tax on or before the twentieth (20th) of each calendar month shall cause the taxpayer to forfeit his claim to the discount and the taxpayer must remit to the commission one hundred (100%) percent of the amount of the A&P tax due, plus any penalty and interest accrued thereon. (b) No taxpayer shall be subjected to unnecessary examination or investigations, and only one (1) inspection of a taxpayer's books of account may be made for each taxable year unless the taxpayer requests otherwise or unless the commission or the executive director, after investigation, notifies the taxpayer in writing that an additional inspection is necessary.

- (3) Notice to the taxpayer required by this section is sufficient if it is mailed by certified mail to the last address on record with the commission.

The commission shall not begin court proceedings after the expiration of the three-year period unless there has been a previous assessment for the collection of the tax.

(b) Upon written agreement of the commission and the taxpayer, the time within which the commission may make a final assessment, as provided herein, may be extended to a date mutually agreed upon in the written agreement.

(c) Where, before the expiration of the time prescribed for the assessment of the tax or of extensions thereof, both the commission and the taxpayer have consented in writing to an assessment after that time, then the A&P tax may be assessed at any time prior to the expiration of time agreed upon.

(d) In the case of a fraudulent return or failure to file a report or return required hereunder, the commission may compute, determine, and assess the estimated amount of A&P tax due from any information in its possession or may begin an action in court for the collection of the tax without assessment, at any time.

(e) Whenever a taxpayer requests an extension of time for filing any return required hereunder, the limitation of time for assessing any tax shall be extended for a like period.

(f) Where the assessment of the A&P tax has been made within the period of limitation properly applicable thereto, the A&P tax may be collected by levy or proceeding in court, but only if the levy is made or the proceeding is begun within ten (10) years after the date of the assessment of the tax.

(g) No person shall be prosecuted, tried, or punished for any of the various criminal offenses arising under the provisions of this ordinance unless the indictment of the taxpayer is instituted within six (6) years after the commission of the offense. (Ord. No. 5021, §1(14), 11-19-01)

 - (2) All notices required to be given by the commission to a taxpayer shall be either served by personal service or sent by mail to the taxpayer's last address on record with the commission. If this mail is returned unclaimed or refused, then proper notice shall have been served and given, and the commission may take any action permitted by this ordinance or otherwise by law.
 - (3) All notices of final assessment hereunder shall be sent by certified mail, return receipt requested.

(b) The taxpayer, when giving notice to the commission, shall give notice either by mail or by personal service on the commission. The notice the taxpayer gives shall be effective when postmarked or, in case of personal service, when so served.

(c) The commission and any taxpayer may, by written agreement, provide for any other reasonable means of giving notice.

(d) All notices shall be in writing. (Ord. No. 5021, §1(15), 11-19-01)

5-2-26. Proposed assessments.

- (a)
 - (1) If any taxpayer fails to file any return as required hereunder, the commission, from any information in its possession or obtainable by it, may determine the correct amount of tax for the taxable period. If a return has been filed, the commission or its designated representatives shall examine the return and make any audit or investigation that is considered necessary.
 - (2) When no return has been filed and the commission determines that there is an A&P tax due for the taxable period or when a return has been filed and the commission determines that the A&P tax disclosed by the return is less than the tax disclosed by its examination, the commission shall propose the assessment of additional tax plus penalties, as the case may be, and shall give notice of the proposed assessment to the taxpayer. The notice shall explain the basis for the proposed assessment and shall state that a final assessment, as provided

for herein, will be made if the taxpayer does not protest such proposed assessment as provided hereby. The taxpayer does not have to protest the proposed assessment to later be entitled to exercise the right to seek a judicial review of the assessment.

(b) Any demand for additional payment of the A&P tax which is made as the result of a verification of a mathematical error on the return shall not be deemed to be a proposed assessment under the provisions of this section and shall not be subject to the hearing or appeal provisions of this section. (Ord. No. 5021, §1(17), 11-19-01)

5-2-27. Taxpayer relief.

(a) Any taxpayer who wishes to seek administrative relief from any proposed assessment of taxes or proposed notice of disallowance of a claim for refund by the commission shall follow the procedure provided by this section.

(2) A taxpayer who requests the commission to render its decision based on written documents is not entitled by law to any other administrative hearing prior to the commission's rendering of its decision and, if necessary, the issuing of a final assessment and demand for payment or issuing of a certificate of indebtedness.

(c) Within thirty (30) days after service of notice of the proposed assessment, the taxpayer may file with the commission a written protest under oath, signed by himself or his authorized agent, setting forth the taxpayer's reasons for opposing the proposed assessment.

 - d.
 - 1. In addition to the hearing procedures set out in subsections (a)-(c) of this section, the commission or the hearing officer may hold administrative hearings by telephone, video conference, or other electronic means if the commission or the hearing officer determines that conducting the hearing in such a manner:
 - i. Is in the best interest of the taxpayer and the commission;
 - ii. Is agreed to by both parties;
 - iii. Is not fiscally unsound or administratively burdensome; and
 - iv. Adequately protects the confidentiality of the taxpayer's information.

2. The commission is authorized to contract with third parties for all services necessary to conduct hearings by telephone, video, or other electronic means.
3. Any person who enters into a contract with the commission to provide services necessary to conduct hearings by telephone, video, or other electronic means shall be subject to the laws providing for the confidentiality of taxpayer records. (Ord. No. 5021, §1(19), 11-19-01)

- (1) Within thirty (30) days of the date of the final assessment, paying the entire amount of the A&P tax due, including any interest or penalties, for any taxable period or periods covered by the final assessment and filing suit to recover that amount within one (1) year of the date of payment. The commission may proceed with collection activities, including the filing of a certificate of indebtedness as authorized hereunder, within thirty (30) days of the issuance of the final assessment for any assessed but unpaid A&P taxes, penalties, or interest owed by the taxpayer for other taxable periods covered by the final assessment, while the suit for refund is being pursued by the taxpayer for other taxable periods covered by the final assessment; or
- (2)
 - a. Within thirty (30) days of the issuance and service on the taxpayer of the notice and demand for payment, filing with the commission a bond in double the amount of the tax deficiency due and by filing suit within thirty (30) days thereafter to stay the effect of the commission's determination.
 - b. The bond shall be subject to the condition that the taxpayer shall file suit within thirty (30) days after filing the bond, shall faithfully and diligently prosecute the suit to a final determination, and shall pay any deficiency found by the court to be due and any court cost assessed against him.
 - c. A taxpayer's failure to file suit, diligently prosecute the suit, or pay any tax deficiency and court costs, as required by subsection (a) of this section, shall result in the forfeiture of the bond in the amount of the assessment and assessed court costs.

(b) Jurisdiction for a suit to contest a determination of the commission under this section shall be in a circuit court in Garland County, where the matter shall be tried de novo.

(c) The methods provided in this section shall be the sole alternative methods for seeking relief from a written decision of the commission or the hearing officer establishing a deficiency in the A&P tax. No injunction shall issue to stay proceedings for assessment or collection of any A&P taxes.

(d) In any court proceeding under this section, the prevailing party may be awarded a judgment for court costs. (Ord. No. 5021, §1(20), 11-19-01)

5-2-30. Issuance of certificates of indebtedness and execution.

- (a) (1) a. If a taxpayer does not timely and properly pursue his remedies seeking relief from a decision of the commission or hearing officer and a final assessment is made against the taxpayer, or if the taxpayer fails to pay the deficiency assessed upon notice and demand, then the commission through its authorized representatives shall, as soon as practicable thereafter, issue to the circuit clerk of any county of the state in which the taxpayer's business is located a certificate of indebtedness certifying that the person named therein is indebted to the commission for the amount of the tax established by the commission as due.
- b. If a taxpayer has a delinquent A&P tax liability to the commission of less than one thousand dollars (\$1,000), the commission or its hearing officer may enter into an agreement with the taxpayer to allow the taxpayer to pay the delinquency in installments. The commission or its hearing officer may choose not to issue a certificate of indebtedness during the period of the installment agreement if it determines that it is in the best interest of the commission.
- (2) The circuit clerk shall enter immediately upon the circuit court judgment docket:
 - a. The name of the delinquent taxpayer;
 - b. The amount certified as being due;
 - c. The name of the tax; and
 - d. The date of entry upon the judgment docket.
- (3) a. The entry of the certificate of indebtedness shall have the same force and effect as the entry of a judgment rendered by the circuit court. - b. This lien is in addition to any other lien existing in favor of the commission to secure payment of taxes, applicable interest, penalties, and costs. The lien is superior to other liens of any type or character attaching to the property after the date of entry of the certificate of indebtedness on the judgment docket. This lien is superior to all claims of unsecured creditors.
 - c. The certificate of indebtedness authorized by this subsection shall continue in force for ten (10) years from the date of recording and shall automatically expire after the ten-year period has run. Actions on the lien on the certificate of indebtedness shall be commenced within ten (10) years after the date of recording of the certificate, and not afterward.
- (b)
 - (1) After entry of the certificate, the circuit clerk shall issue a writ of execution directed to the commission, authorizing the commission to levy upon and against all real and personal property of the taxpayer.
 - (2) The commission shall have all remedies and may take all proceedings for the collection of the tax which may be taken for the recovery of a judgment at law.
 - (3) The writ shall be issued, served, and executed in the same manner as provided for in the issuance and service of executions rendered by the circuit courts of this state, except the commission shall act in the place of the county sheriffs.
 - (c)
 - (1) Nothing in this chapter shall preclude the commission from resorting to any other means provided by law for collecting delinquent taxes.
 - (2) The issuance of a certificate of indebtedness, entry by the clerk, and levy of execution as provided in this section shall not constitute an election of remedies with respect to the collection of the tax.
 - (3) The taxes, fees, interest, and penalties imposed or levied hereby may be collected in the same way as a personal debt of the taxpayer.
 - (4) The commission may sue to the same effect and extent as for the enforcement of a right of action for debt.
 - (5) All provisional remedies available in these actions are available to the commission in the enforcement of the payment of the A&P tax.
 - (d)
 - (1) In addition to the remedies provided in subsections (b) and (c) of this section, the commission may direct the circuit clerk to issue a writ of execution directed to the sheriff of any county authorizing the sheriff to levy upon and against all real and personal property of the taxpayer.

The writ shall be issued, served, and executed in the same manner as provided for in the issuance and service of executions rendered by the circuit courts of this state.

- (2) The circuit clerks and sheriffs shall be entitled to receive the same fees provided by law in these matters. These fees shall be collected from the taxpayer by either the commission or the sheriff in addition to the tax, penalties, and interest included in the certificate of indebtedness. If the sheriff is unable, after diligent effort, to collect the tax, interest, penalties, and costs, the commission may pay such fees as are properly shown to be due to the clerk and sheriff.
- (e) The commission may contract with persons inside or outside the state to help the commission collect delinquencies of resident or nonresident taxpayers. (Ord. No. 5021, §1(21), 11-19-01)

5-2-31. Injunction proceedings.

When a return required hereunder has not been filed or does not furnish all the information required by the commission or when the A&P taxes imposed by law have not been paid or when any required license or permit has not been secured, the commission may institute any necessary action or proceeding in a court of competent jurisdiction in Garland County to enjoin the person or taxpayer from continuing operations until the report or return has been filed, required licenses or permits secured, or taxes paid as required. The injunction shall be issued without a bond being required from the commission. (Ord. No. 5021, §1(22), 11-19-01)

5-2-32. Settlement or compromise of liability controversies.

- (a) The commission may enter into an agreement to compound, settle, or compromise any controversy relating to the A&P tax when:
 - (1) The controversy is over the amount of tax due; or
 - (2) The inability to pay results from the insolvency of the taxpayer.
- (b) The commission may waive or remit the interest or penalty, or any portion thereof, ordinarily accruing because of a taxpayer's failure to pay the A&P tax within the statutory period allowed for its payment
 - (1) If the taxpayer's failure to pay the tax is satisfactorily explained to the commission; or
 - (2) If the failure results from a mistake by the taxpayer of either the law or the facts subjecting him to such tax; or
 - (3) If the inability to pay the interest or penalty results from the insolvency or bankruptcy of the taxpayer.

(c) In settling or compromising any controversy relating to the liability of a person for the A&P tax for any taxable period, the commission is authorized to enter into a written closing agreement concerning the liability. When the closing agreement is signed by the commission, it shall be final and conclusive, and except upon a showing of fraud or misrepresentation of a material fact, no additional assessment or collection shall be made by the commission, and the taxpayer shall not institute any judicial proceeding to recover such liabilities as agreed to in the closing agreement.

(d) The commission shall promulgate rules and regulations establishing guidelines for determining whether a proposed offer in compromise is adequate and is acceptable to resolve a tax dispute. (Ord. No. 5021, §1(23), 11-19-01)

5-2-33. Release of property from lien.

(a) Upon written application by any person, the commission may release any property from the lien imposed by any assessment, order, judgment, or certificate of indebtedness obtained by or from any levy made by it if:

- (1) Either full payment is made to the commission of the sum it considers adequate consideration for the release; or
- (2) Adequate security deposit is made with the commission to secure the payment of the debt evidenced by the lien.

(b) When the commission determines that its assessment, certificate of indebtedness, or judgment is clouding the title of property because of an error in the description of properties or similarity in names, the commission may issue a release without the payment of any consideration.

(c) The commission's release shall be given under its seal and filed in the office of the circuit clerk in the county in which the lien is filed, or it shall be recorded in any office in which conveyances of real estate may be recorded. (Ord. No. 5021, §1(24), 11-19-01)

To supplement and to create a separate pay scale for both the Police and the Fire Departments making those agencies competitive in the state and region; the pay scales will not overlap between ranks and create a separation between the ranks in both departments; to create a differential between new hires and certified officers and firefighters; to add police officers and firefighters to both departments to provide the increase needed support personnel for both departments and a separate pay scale for them according to their job description and salary averages for their positions throughout the state and region; to create a home storage fleet for all police officers with at least one (1) year of service providing that they live in the county and within ten (10) miles of the city limits with the fleet storage plan being phased in over a three (3) year period until all eligible officers are assigned a vehicle; for the fire department to use a portion of the tax to update all equipment, add necessary equipment needed to protect the citizens and be able to retire aged equipment as it becomes obsolete or more costly to maintain than its value; to each year, reserve a portion of the tax income ten percent (10%) for capital improvements to either department as needed; and to provide that any and all raises to salaries or additional personnel in the future will come from the public safety tax and/or the general fund. (Ord. No. 4781, § 1-B, 2-1-99, Ord. No. 5594, §1, 8-20-07)
