

# BOARD REPORT

## HIGHLIGHTS FROM THE HOT SPRINGS BOARD OF DIRECTORS MEETING

SEPTEMBER 5, 2017

### Board accepts White Oak water/sewer improvement district

The Board of Directors tonight officially accepted the **White Oak Water and Sewer Improvement District #49** into the city's municipal water system. Now that the residents of this improvement district in the Arkridge Road area have paid the debt in full for water system assets, the Board agreed to take over maintenance and repair, thereby dissolving the improvement district.

### Special Notes

A **Community Meeting in District 5** will be held September 14, 2017 at 4:30 p.m. at The Centre at Forest Lakes located at 305 Forest Lakes Boulevard. City Manager David Frasher will be the speaker. Please come and eat, meet, and greet the city manager of Hot Springs. The public is invited to ask questions about the city or any issues and improvements on the horizon. Food and drinks will be served.

### Other Board Actions

- Approved an agreement to transfer or lease property to construct a **Creativity and Innovation Complex** at the Arkansas School for Mathematics, Sciences and the Arts campus.
- Approved agreements with the Hot Springs School District and Lakeside School District for a total of **three school resource officers** for the upcoming school year. HSSD will have two officers, and Lakeside will have one, continuing this highly successful partnership.
- Approved **manufactured home overlay zoning** on 9.7 acres of property at 340 Molly Springs Road.
- Approved a bid award for the placement of four **Godwin Backup Pumps** at four wastewater pump stations, to help ensure operability in the event of power loss and enabling staff to perform preventative maintenance. Larger Godwin Pumps are already in use at two of the city's major pump stations and have proved to be very reliable.

*The Board Report, capturing major elements of the latest regular meeting of the Hot Springs Board of Directors, is part of the City of Hot Springs' efforts to broaden its communications with the public.
