I hereby apply for utility service furnished by the Municipal Utilities at the address stated above, or such subsequent location as requested. This application is made subject to the current rules, regulations and ordinances governing the City of Hot Springs Municipal Utilities. I agree to pay established rates and charges for all services provided. I acknowledge that if my service is disconnected for non-payment of a past due bill, I will be required to pay the past due bill, a service charge, and additional deposit before utility service is restored. If my service is discontinued and my bill remains unpaid I am responsible for any and all reasonable collection costs including collection fees, reasonable attorney fees and court costs up to the limit allowed by Arkansas law. In the event that this application is being submitted on behalf of a corporation, limited liability company, trust, partnership, non-profit organization, or any other entity, the undersigned further agrees to personally guarantee the payment of any outstanding balance owed on this account or any future meter to which this account may be assigned.

In accordance with A.C.A. § 18-28-205, the city will withhold a dormancy fee of up to \$25 in those cases where a refund check is issued and then returned to the City for lack of a valid forwarding address and a valid address has not been supplied within a year of the issuance of the check.

I further acknowledge that the City of Hot Springs is immune from liability for negligent claims pursuant to A.C.A. § 21-9-301, and that I have received a copy of Resolution No. 4139.

RESOLUTION NO. 4139

A RESOLUTION ESTABLISHING A POLICY REGARDING SEWER BACKWATER DAMAGE CLAIMS.

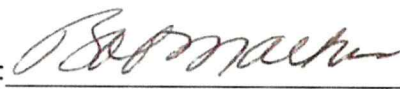

WHEREAS, from time to time, the Municipal Sewer System receives claims for damage to private property caused by backwater conditions; and that

WHEREAS, such damage can often be prevented with the installation of certain backwater protection devices.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City of Hot Springs, Arkansas:

That from and after July 1, 1999, the City of Hot Springs will not consider any claims for damages caused by wastewater backwater conditions where the installation of a backwater protection device would have prevented such damage. Provided, further, that notice of this policy shall be given by mail to the address of all properties suspected of being subject to backwater damage.
