- You do not have to be a UAMS patient to be seen. This evaluation clinic is for anyone experiencing flu-like symptoms, including cough, fever, shortness of breath. Not everyone who is sick needs to be tested.
- UAMS physicians will evaluate you to see if you need to be tested. If you are not tested, you will be given instructions on how to take care of yourself and your family at home. If you are tested, results take several days to come back and you will receive a phone call about your test results.
