(1) A site plan, drawn to scale, on white paper no larger than 24x36 and no smaller than 11x17 and showing the following to be compliant with the respective individual standards and ordinances:

√

- \_\_\_\_\_ Graphic scale and north arrow
- \_\_\_\_\_ Location map
- \_\_\_\_\_ Zoning classification per the City of Hot Springs Zoning Map
- \_\_\_\_\_ Location of all structures showing setbacks to all property lines and distances between buildings
- \_\_\_\_\_ Overall site layout depicting any individual platted lots
- \_\_\_\_\_ Location and dimensions of existing and proposed vehicular access and interior vehicle circulation
- \_\_\_\_\_ Arrangement of all off-street vehicle parking and showing all dimensions
- \_\_\_\_\_ Existing and proposed pedestrian circulation
- \_\_\_\_\_ Drainage and storm water provisions and associated easements
- \_\_\_\_\_ Proposed perimeter treatment of property including screening, fences, walls and retaining walls
- \_\_\_\_\_ Schematic landscape plan showing proposed treatment of the areas designated as either buffers or private common open space
- \_\_\_\_\_ Location and dimensions of all existing and proposed private and public utilities and easements
- \_\_\_\_\_ The proposed development's relationship to surrounding areas including adjacent property zoning, uses, street names and right of way widths
  
- \_\_\_\_\_ Proposed and existing building coverage of all buildings
- \_\_\_\_\_ Overall area and individual platted lot areas
- \_\_\_\_\_ Proposed and existing total and individual floor area of all buildings
- \_\_\_\_\_ Number of proposed and existing parking spaces
- \_\_\_\_\_ POA draft covenants, and a preservation plan of the natural amenities with the proposed PD showing the specific type, size and nature of the preservation area.
- \_\_\_\_\_ A land survey showing the exact property boundary lines, including a legal description of the total site proposed for development and individual previously platted lots within the overall development, all existing and proposed easements and a statement of present property ownership and proposed or contracted future ownership. The survey shall include a flood plain statement and any areas of the property located in a special flood hazard area shall be shown, including boundaries of the special flood hazard area.
- \_\_\_\_\_ Any variances or waivers from the literal provisions of the various codes and ordinances shall be depicted on the site plan and requested in writing to accompany the submittal. The requests shall clearly state the reasons for the request and the undue hardship presented by compliance with the particular code or ordinance. Pecuniary hardship, standing alone, shall not constitute a hardship. A use other than that allowed by the zoning ordinance may not be requested in this way. The Planning Commission may modify or waive standards only after satisfactory demonstration of the undue hardship.
- \_\_\_\_\_ The submittal shall include, in writing and accompanying information, any known or perceived negative or adverse impacts that the proposed project may impose on adjacent or nearby properties.
- \_\_\_\_\_ The submittal shall include either a completed and approved Development Permit Exemption Certificate or a completed and approved Application and Permit Form to Develop in a Flood Hazard Area from the Garland County Flood Plain Management officer.
- \_\_\_\_\_ In the case of a phased development, the initial site plan shall include the information required by this section for the entire property. Each subsequent structure or lot development shall complete site plan approval and shall include all previous development particulars.
